

ROLLING BLAZERS

Rolling Blazers wheelchair basketball is getting ready to kick off our 2023-2024 season in September. We are looking for new players to join the team. Rolling Blazers is a competitive basketball team that is looking for elementary to high school aged athletes that have a ***physical disability***. (Spina Bifida, Amputees, Cerebral Palsy, cancer that impacts your ability to play able bodied sports.) You do not have to be in a wheelchair to play. We can get chairs for athletes to play.

Our season runs from Sep-Mar, we practice in the Portland metro area and Eugene (Once a month) on Saturdays. We play tournaments once a month starting the end of October in places like Spokane, Salt Lake City, Phoenix, Tacoma. Etc.

We provide a safe environment for kids to learn the game of basketball and develop friendships with their teammates and kids on other teams that we play. We can provide scholarships if needed to help with travel etc.

Please contact us if you have any questions,
